### 1. Braemar Kitchen & Bath

Having an organized kitchen will make you want to use it more, so investing in functional and elegant storage solutions is the way to go. Braemar has partnered with brands Decora, Schrock and Kitchen Craft to provide custom case goods, shelving and built-in storage to fit every storage need. Decora prides itself on using sustainably harvested lumber while also recycling and reusing up to 90% of its manufacturing waste. Schrock is recognized for its “no-slam closing” technology on doors, drawers, roll trays and pullouts, while Kitchen Craft is known for its fashion-forward designs. 205 S. Union St., Alexandria, [braemarkitchenandbath.com](http://braemarkitchenandbath.com)

### 2. Ferguson

If you enjoy making homemade meals, an elegant and functional cooktop is crucial to getting the kitchen of your dreams. Top-rated kitchen supplier Ferguson has a selection of cooktops and range tops for every style. The Dacor DT136M977BB modernist induction cooktop holds up to nine cooking zones and can be monitored

using the Dacor iQ Kitchen app from outside the kitchen. Ferguson also has elegant kitchen faucets to step up your sink area. The Signature Hardware Williston pullout spray faucet comes with a polished chrome finish and provides flexibility and comfort when doing the dishes. 5225 Wisconsin Ave. NW, [fergusonshowrooms.com](http://fergusonshowrooms.com)

### 3. Snaidero

The kitchen should be a welcoming and homely space while being fashion-forward and functional. Snaidero understands this, and its vision for an elegant yet cozy kitchen is seen in its signature collection Ola 20, which includes a range of kitchen cabinetry and storage solutions full of fluid lines and ergonomic shapes. The designs come in three different finishes—matte lacquer, matte micalized lacquer and tailored—available in dozens of colors. Snaidero also provides kitchen worktops in several materials, such as stainless steel and quartz stone, to pair perfectly with the cabinetry. 1130 N. Fairfax St., Alexandria, [snaidero-usa.com](http://snaidero-usa.com)

### 4. Stuart Kitchens

Cabinets occupy most of the kitchen space, so having aesthetically pleasing ones boosts its appearance immediately. From traditional to contemporary styles and everything in between, Stuart Kitchens creates semi-custom and custom all-wood cabinets that come in natural finishes and diverse color stains. Thanks to Stuart’s interchangeable doors, customers can pick their favorite cabinet door style from dozens available and match it to their cabinet of choice. 8203 Wisconsin Ave., Bethesda, [stuartkitchens.com](http://stuartkitchens.com)
